Our annual Ham Supper was once again a big success. Many thanks to all the ones who helped put it on, especially all our ladies who made pies, our cook, Hilary, who was there all day long with his son, Christopher, who was a big help in the kitchen, and to Cathy Chadburn for seating everyone again and to all the gals who cut the pies.

Annual Report for the MHCA 2016 – 2017

The Mission of the MHCA is to maintain the Library and Community Center Building and uphold the tradition of organizing season events to be enjoyed by our community and its guests.

Many community groups regularly utilize the lower level including Folk Club, Bone Builders, Playgroup, Yoga, and the Art Group; as well as parties for birthdays, anniversaries, and baby and bridal showers. MHCA strives to make this space available to all: it is free to use for non-profits and nominal fees for MHCA members or non- members at a rate of \$15 & \$25 respectively. Thank you to Board Member Carol DeVine for maintaining the calendar of room utilization.

We hosted and co-sponsored a variety of events, which we hope contribute to the enrichment of community life. We are most thankful, as these events would not be possible without the help of MANY volunteers who also share the love for Mount Holly.

The events from July 2016 – June 2017 included:

Star Lake Garden re-planting – Coordinated by the Lebers w/committee of 5 (Nancy McKeegan, Emily Clifford, Judy Nevin, Carol DeVine & Joan McCallum). Funding from Rotary International & the Ludlow Rotary grant w/matching funds from many community organizations including: MHCA, Mount Holly Community Historical Museum, Mount Holly Community Guild, & Mount Holly Garden Association that covered the costs for picnic benches, boat rack, and plants. 25 + people helped.

Fourth of July – The MHCA “Did You Know” float of 2016 promoted little known facts about Mount Holly. Thank you to Board members Madeleine Fay and Penny Coldwell for their artwork adorning our float.

Mount Holly Day – co-sponsored by MHCA & Mount Holly Conservation Trust to celebrate the Mount Holly community & the newly restored dam at Star Lake. Although Mount Holly Day was rained out the special dedication of the plaque for Pat Nye, who so generously provided for the reconstruction of the dam, went on as scheduled. Ron Unterman and Dottie Finnerty were also recognized on behalf of MHCA for the endless time and effort they put in to make the restoration possible. But alas, Mount Holly day is about celebrating community and although it rained Kevin Neubert, owner of the Belmont General Store, graciously held onto the donated food and hosted an indoor BBQ the following Thursday prior to Music on the Green, which was in the community room due to inclement weather. Thank you to Board Members Carol DeVine and Beth Latino who coordinated this event. A special thank you to Mary Alberty, who took charge of cooking the hamburgers and hot dogs on the store's grill.

Garden Tour 2016 – The garden tour hosted 7 gardens and was written up in the Vermont Journal. It was a beautiful sun filled day for the 66 visitors who meandered their way through the local gardener's labor of love. The event raised \$800.00 for MHCA treasury. Thank you to Board member Linda Miller, who coordinates this event and volunteer Matthias Weiter.

Square dance - Once again, Lou and Sue Flego got toes tapping and feet moving at the annual Square Dance in the Belmont Village crossroads. Although not as well attended as the previous year, the enthusiasm was not diminished as Lou put participants thru their paces and taught a few new moves. Suggestions for next year's dance included an earlier start to include a primer to help with the learning curve. Thank you to Lou and Sue for their many years of “calling” this event.

Music on the Green – Hosted every Thursday evening July thru August. What a nice way to spend a mid week evening. Music, friendship, dancing, and of course the dog social. Thank you to Board Member Mary Alberty who coordinated the music from Gypsy Reel, Brian Dolzani, Tony Lee Thomas Band, FAB, Jamie Ward, Casey Soloman, Limbo Lounge, and Mount Holly's one and only Folk Club.

Teter Stone Dedication - A commemorative stone was dedicated to permanently recognize the remarkable achievements of Hannah Teter,

E-mail: beardmoreexc@vermontel.net
Robert W. Beardmore Jr.
802-342-3507

who won a Gold Medal in snowboarding at the 2006 Olympics in Turin, Italy, and a Silver Medal four years later in the 2010 Olympics in Vancouver. It was placed in the Mary Van Dyke Garden at the Mount Holly Library & Community Center. Donations for this stone were made by the Mount Holly Community Association, the Community Guild of Mount Holly, the Mount Holly Community Historical Museum, Okemo Mountain and the Town of Mount Holly. Thank you to Kathy Leber for her initiative on this dedication.

Cabaret – 9/4 Once again those who attended the 2016 Cabaret were transported by the rich, mellow sounds of the jazz vocalist, Alexa Fila and Joe Solomon, the bassist. We can never thank Joe and Alexa enough for providing us with this magical evening every Labor Day weekend. How lucky we are to have such wonderful talent right here in Mount Holly; approximately 50 people attended! Thank you to Board Member Madeleine Fay who coordinated this event.

Cider Days – Held Columbus day weekend, the Green in the Belmont crossroads was once again the place to be as evidenced by the hundreds of people who poured into our little town over two days. Over 100 people volunteered to organize vendors, press cider, make pies, oversee the gazebo, the photo contest, and calendar sales, not to mention the legion of workers who helped make the roast beef supper run as smoothly as ever for the 190+ diners who joined us for dinner. There were more vendors on the Green and in the streets than ever before, demonstrating that Cider Days is a huge boon for our local crafts people, farmers, and other local merchants. SouperKids was once again an incredibly successful collaboration between the Mount Holly PTSA and the MHCA. It was inspiring to see all of those young people enthusiastically supporting their school and their town. Thank you to Board Members Carol DeVine, Morgan Skiathitis, Penny Coldwell, Michael Smelser, & Jennifer Burrows who coordinated this event.

Halloween – For the third year in a row, the MHCA has hosted the most successful family Halloween party in the Okemo Valley! What a treat it was to see all of the children at **The Monster Mash** decked out in their adorable/scary costumes and thoroughly enjoying the pot luck snacks, the trick-or-treating and the hay ride in Belmont village. The adult party, **Bad Necromance**, was also a hit as DJ Evergreen (Robert Balewicz) entertained with great dance beats and a smashing lightshow! As always, the costumes were fabulous and everyone got into the swing of a ghoulish night on the dance floor. Thank you to Board Members Morgan Skiathitis and Linda Miller for coordinating this event.

Christmas in Mount Holly – Held on Saturday, December 10th, Christmas in Mount Holly continued to enchant children of all ages this year! The Mount Holly Radio players presented stellar performances of a humorous adaptation of *A Christmas Carol*. The traditional reading of The Night Before Christmas was read once again by Barbara Pallotta, who has been captivating the children with this beloved classic for many years. Penny and Peter Coldwell led the audience in a round of well loved Christmas and Hanukah songs. A special request for Dreidel, Dreidel, Dreidel was answered by an ensemble performance of 4 children, who led the group in this Hanukah favorite. Santa made an appearance after holiday carols; children shared their wish lists and received a small gift. Thank you to Board Member Penny Coldwell for coordinating this event.

New Years Eve w/the Snow Flyers at Star Lake - Once again the Mount Holly Snow Flyers provided the most extensive and elaborate fireworks show in the region on New Year's Eve, Saturday, December 31st. Mulled wine and hot cocoa were provided by the Mount Holly Community Association.

Mud Fling – Saturday April 7th, 2017. A perfect way to celebrate spring being on the horizon. This year's dance was another all body event with people grooving to the music of the Mount Holly Folk Club, who warmed the stage and the audience for the Tony Lee Thomas Band with Jenny Porter. Thank you to Board Members Mary and Jess Alberty for coordinating this event.

Mount Holly Calendar – An event sponsored by MHCA. Thank you to volunteer Janet Warren for coordinating this event and her past year's dedication & Craig Tomkinson who has graciously assumed responsibility for ongoing coordination.

Welcome Bag Program - Kathy Leber updated the group on the Welcome Bags for new residents in Mount Holly. No Numbers were immediately available, due to the impromptu request. Kathy did say that due to the nature of second homeownership it has been difficult to welcome folks in person and some items in the bags are perishable which means they cannot simply be left on the doorstep. Brief discussion about alternatives ensued; follow up discussion with Lisa and Kathy agreed for later date.

The harbinger of fall is already upon us, as we all spy some colorful leaves here and there in our gardens and on our roads. It is hard to believe that summer is drawing to a close but what a beautiful summer it was! It was not just the weather that brought us so much pleasure, but the many wonderful events sponsored by the MHCA, which again saw record numbers of people turn out to enjoy the activities and one another.

Music on the Green continues to hold on to its reputation as one of the best summer music series in the area. At this writing there are two concerts to go on Thursday, August 24th with *Bunty Station* and Thursday, August 31st with our very own *Mount Holly Folk Club*. Be sure not to miss them! Again, the MHCA wishes to express its gratitude to Mary Alberty, who has organized this fabulous series for the past two years...thank you so much!

Many thanks to Peter Tobin who made his debut this year calling the **Square Dance** in the Belmont crossroads on August 5th! There were three full squares throughout the evening and about a dozen folks on the sidelines tapping their toes and swaying to the music. There were a number of first timers this year and they had the time of their lives learning some steps and making mistakes! We also should extend our gratitude to Debbie Tobin, Peter's wife, who stepped in to keep the novices on track! In addition, many thanks to Kevin Neubert for keeping the store open until the close of the square dance...the supply of drinks and ice cream were most welcome! It was a really fun evening for everyone...thank you so much, Peter, for sharing your calling skills with us!

The **MHCA Annual Meeting** held on Wednesday, August 9th, reviewed the remarkable success of all of the events sponsored by the MHCA this year. The Board of Directors would like to extend their thanks to *all* of the volunteers who made this possible. The biggest item on the agenda was the announcement that the MHCA will be digging a well to provide a permanent and reliable source of water for the building. Up to now, the heating and waste water came from the Mechanicsville Aqueduct system and the drinking water from bottled water. The start date for the project awaits final Select Board approval and state permits, so we are not exactly sure when the work will begin, hopefully shortly after Cider Days. We will let you know via a Newsflash announcement when the project will be underway.

Upcoming: The event to close off our summer season is fast approaching...the incomparable **Cabaret!** Mark your calendars now for Sunday, September 3rd, Labor Day Weekend. The smooth jazz sound of Alexa Fila and Joe Solomon will begin at 8:00 pm in the Library turned Cabaret. This is a not to be missed event and a wonderful way to say goodbye to summer. There is no cover charge, but this is a fund raiser for the MHCA...sinful desserts and libations can be had for a minimal price and we encourage donations! Please join us!!

Autumn Preview: the first event in the fall calendar is the **Photo Preview** for the annual photo calendar contest. It will take place on Saturday, September 30th in the Community Room in the Library & Community Center Building. The preview will begin at 7:00 pm and light refreshments will be served. Please take the opportunity to get a sneak peek at this year's entries for the 2019 Photo Calendar. The awards for the best photos will also be presented at the preview, so if you submit a photo this year, be sure to attend. Both the preview and the photo contest have become traditions in Mount Holly and shouldn't be missed!

October means two things in the Mount Holly community...beautiful foliage and **Cider Days!** This year Cider Days will be held on Saturday, October 7th and Sunday, October 8th. It is the major event of the year for the MHCA, as well as the entire community. Fresh pressed cider from our antique press, food and crafts from local artisans, not to mention the immediate satisfaction of fresh apple pie with Crowley's cheese, or homemade apple crisp with ice cream, all await you on Columbus Day weekend. Planning for this event is well under way, so be sure to mark your calendars now and look for updates on the Newsflash and in the next Chit Chat. **REMINDER:** the deadline for vendors to reserve a spot at Cider Days is August 31st. Please contact Morgan Skiathitis as soon as possible: morganskiathitis@gmail.com or 802-259-2755 for an application and further information.

NON-PROFIT VENDOR SPOTS: as you know, the **non-profits in Mount Holly** are given their spots on the Green free of charge. However, Morgan asked us to remind you that you *must* fill out an application to reserve that spot by the August 31st deadline! If you have not done so, please do it ASAP. Thanks!

Reminder: on Cider Days weekend Maple Hill Road will be closed at the end of the library parking lot from 9 am – 5 pm on Saturday & 11 am – 5 pm on Sunday. **N.B. Stephanie Stouffer Gallery up Maple Hill Road will still be open both days.**

Membership in the MHCA is our largest source of revenue, so we ask that each of you renew or join today, if you have not already done so! All of the events we sponsor throughout the year, as well as the maintenance of the beautiful historic church building that houses the library and community room, depend primarily on the generosity of our members. Membership forms can be found in the post offices, the General Store, and the library...please get one and fill it out today! Thanks so much for your support!

Mount Holly, Vermont

The Vermont Department of Environmental Conservation (DEC) has awarded the Town of Mount Holly a grant of \$8,000 for 2017 to support the ongoing invasive plant control program at Lake Ninevah. The Ninevah Foundation administers the program every summer to keep the lake clear of Eurasian watermilfoil, which has infested and ruined many Vermont lakes for recreation.

Since 2001, the Foundation has paid divers to periodically survey the lake's water for signs of invasive milfoil growth, and employs greeters who monitor boats at the state fishing access to make sure that no invasive plants "hitchhike" in on anchors or propellers. Thanks to this careful monitoring, two infestations of Eurasian watermilfoil in Lake Ninevah have been eradicated since 2004.

C & C Diving, a Tinmouth-based firm, has conducted surveys throughout this summer, by snorkeling and scuba diving around different areas of the lake. The divers are adept at distinguishing a common, native form of milfoil from the invasive type, and they have found no signs of the unwanted plant.

This year marks the 16th year that Mount Holly has received the DEC's Aquatic Nuisance Control Grant-in-Aid, which supplements private donations raised by the Ninevah Foundation to help cover the annual \$24,000 cost of the program.

"We are always extremely grateful for the DEC's support for our milfoil-control program," said Dano Weisbord, President of the Ninevah Foundation. "We also appreciate the officials and staffers of the Town of Mount Holly who work with us to administer the grant and help to keep Lake Ninevah healthy."

In addition to safeguarding Lake Ninevah, the Ninevah Foundation conserves 3,400 acres of land, most of which is open to the public for hiking, skiing and snowshoeing.

For more information, please write to ninevahfoundation@gmail.com. To see a video about the milfoil control program at Lake Ninevah, go to <http://lpctv.org/ninevah-foundation-milfoil-eradication>.

IOOF Hall Kitchen Improvements

Colfax Lodge appreciates the efforts of many for the kitchen renovation at the Odd Fellows Hall. This past spring a much needed renovation was completed in the kitchen area. The flooring was replaced and new countertops and sinks were installed. The members would like to thank Dave Josselyn for his oversight of the project. We know that he donated part of the cost and we also appreciate the flooring labor from Brian Wortman and the plumbing installation by Bob Beardmore. We hope you will take a look at it when in the Hall and what a special community we all live in.

Hello to All!

My name is Kathleen Thompson. I am a 25-year old native Vermonter and graduate from Castleton University. In college, I dual majored in two rigorous programs receiving a Bachelor of Arts in Music (with a concentration in voice) and a Bachelor of Arts in Business (with a concentration in

management). In the fall of 2015, I decided to go back to school, attending Castleton University for a second time and I received my Master's of Science in Accounting this past May.

As a leader at my school, during my undergrad I was Vice President of our schools student run a-Capella group, "Vocal Unrest", I was the treasurer of both the Castleton Collegiate Choir and the Women's Ruby Club and was also the Co-Captain of the Women's Rugby Club Team, which

I had previously been a member of since 2012. I am proud to say that due to the contributing hard work and dedication from myself, my fellow officers and teammates, the school had asked us to become a varsity program- a first time for Castleton history! As we transitioned into our Varsity season, although I was not eligible to play (due to having been enrolled in school for too long), I was graciously offered a position as the Assistant Coach to the Varsity team.

In my spare time, I have planned and organized a Vocal Recital (May 28th, 2017) as a charitable function to raise money for the Disabled American Veterans Fund. This past May was the second year of putting on this event and I hope to continue to make it a community tradition as a way to raise money for a cause that is very dear to my heart.

This charity is important to me because I am also proudly serving as a member of the VT Army National Guard. I have been serving now for 4 years. My job title within the Guard is a Human Resource Specialist and I was recently promoted to Sergeant this past June. Getting my SGT (E5) rank at such a young age is an honor and I hope to continue to be promoted and be a leader in the Army and set a strong example for young men and women.

I currently work at Davis & Hodgdon Associates, CPA firm in Rutland, VT of which I assist with tax preparation and administrative duties. I plan to continue my education and obtain my CPA and this fall I will also be coaching the Black River Varsity Women's Soccer Team (my old high school), which I am extremely excited about!

As a candidate for Miss VT USA, I choose to compete to challenge the "pageant girl" stereotype and to empower other young women to pursue their goals, to live healthy life styles, to have body positivity and self-love, regardless of their size, or weight. I stand against bullying, body shaming, and against society's unrealistic standards of what it means to be beautiful- if I had believed

them, standing at 5'4 and 155 lbs. I would never have started competing. But I know that my dress size and the number on the scale in no way reflects my achievements as a student, a coach, an athlete, a musician and a Soldier of the United States Military.

With your help and sponsorship, I believe I would be a contributing asset to the Miss Vermont USA Pageant Association and a positive role model for young women and men alike.

Thank you for your time and consideration. If you would like to contact me for more information my email is kathleen.a.thompson15@gmail.com and my phone number is 802-855-3341. Best Wishes, Kathleen A. Thompson

Weston presents American classic, Long Day's Journey Into Night,
Beginning August 24

Continuing its multi-year commitment to American Masters, classic American dramas in fresh productions by nationally known artists, the Weston Playhouse Theatre Company will present Eugene O'Neill's **LONG DAY'S JOURNEY INTO NIGHT**. The Pulitzer Prize winning drama, considered O'Neill's greatest work and one of the finest American plays of the twentieth century, begins a limited run on August 24.

On an ordinary summer's day with extraordinary consequences, this semi-autobiographical story of the Tyrone family and their battle to uncover—and bury—a lifetime of secrets continues to prove itself one of the most profound and powerful plays ever brought to the stage.

Weston's production, a fresh approach that taps the play's theatricality and universality, is directed by Ethan McSweeney. Dubbed by *American Theatre* magazine a "wunderkind with a Midas touch," he has directed on Broadway and at major theatres around the globe. His credits include the country's top regional theatres, such as the Guthrie, the Old Globe, the Denver Center, the Shakespeare Theatre, and Arena Stage.

The cast of **LONG DAY'S JOURNEY INTO NIGHT** includes actors Kathryn Meisle and Derek Smith as Mary Cavan Tyrone and James Tyrone. Meisle, cast in the upcoming Broadway production of *Harry Potter and the Cursed Child*, was in *The Elephant Man* on Broadway and London's West End and was nominated for a Tony for *Tartuffe*. Smith has been seen on Broadway as Scar in *The Lion King*, Tartaglia in *The Green Bird*, and Patrice Bombelles in *Ring Round the Moon*. Completing the ensemble are Liam Craig (Weston's *Uncle Vanya*, *The 39 Steps*) as Jamie, Andrew Veenstra (seen as Hamlet at Lincoln Center and the lead in the US Tour of *War Horse*) as Edmund, and Piper Goodeve (Weston's *All My Sons*) as Cathleen.

The set is designed by Lee Savage, winner of the Connecticut Critics Circle and Helen Hayes Awards, with costumes by Tracy Christensen (Broadway's *Sunset Boulevard*), lighting by Scott Bolman, and sound by Mikhail Fiksel. Award-winning composer Jenny Giering (Weston's *Saint-Ex*) has created an original piano score for the production.

For an insider's perspective of the show, don't miss the pre-show Director's Talk on August 24, 25, and the 26 matinee. Audiences attending the Sunday matinees on August 27 and September 3 are invited to remain in the auditorium for a Talkback with the cast and crew.

LONG DAY'S JOURNEY INTO NIGHT runs August 24th through September 3rd at the Weston Playhouse on the Village Green (12 Park Street in Weston). Show times are Tues-Sat at 7:30pm, Wed and Sat matinees at 2:00, and Sun matinees at 3:00. Special daytime school matinees will be offered on September 6, 7, and 8 with talkbacks to follow. Tickets can be purchased by calling the box office from 10:00am-6:00pm (closed Mondays) at 802-824-5288 or by visiting westonplayhouse.org.

Start of New Dressing Room Brings Back Memories

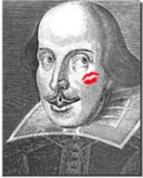

As part of its 2017 plans for new projects in the Ludlow Town Hall Auditorium, FOLA (Friends of Ludlow Auditorium) has started work backstage with the construction of a new dressing room for performers. As part of this project, FOLA has started to clean-out the room to be converted into the dressing room. Since the building was erected in 1923, there was quite a bit of history in the space. Pictured above, from left to right, are Marty Nitka and Jim Alic as they examine some of the writing left on the walls by previous performers. Marty was particularly interested in the names of folks he knew many years ago. With smiles on their faces, the two pondered what someone in another century would find when they renovated the dressing room being built this year.

District Health Services Director Speaks to Ludlow Rotary Club

Becky Thomas, the Springfield District Director for Health Services, part of the Agency of Human Services, recently spoke to the members of the Ludlow Rotary Club (LRC). In her comments to the service organization, Ms. Thomas outlined the many facets of the Health Services group and how it served the 12 towns in the Springfield District. Her discussion also touched on the important demographics associated with the district, particularly noting the principal ailments that her office dealt with and how they compared to the rest of the state. Ms. Thomas is pictured with Rotarian Jack Menzie on the left. LRC meets for lunch on most Tuesdays at 12:15 pm at DJ's Restaurant. The LRC is small and is always looking to welcome new members. If you would like to attend a meeting and learn how you may 'Serve Humanity' while enjoying the fellowship of others, please contact any Rotarian or drop a note to Ludlow Rotary, PO Box 216, Ludlow Vermont.

About The Union Christian Church:

Since 1970, the Union Christian Church has been owned and preserved by The Calvin Coolidge Presidential Foundation. The church's handmade *Carpenter Gothic* interior and perfect acoustics make it ideal for Shakespeare performances. The Union Christian Church was erected in 1840 as a town meeting house and was formally dedicated as the "Congregational Church Society" in 1842. President Calvin Coolidge, born in 1872, first knew the church in its original state, and until 1890 sat in the pew owned by his grandfather. After the 1890 renovation, the president and his family worshiped in the pew that is now marked by the American Flag and a brass plate on the right arm.

OVRCC Chamber Leads The Online Transformation For Shop Local

The Okemo Valley Regional Chamber of Commerce has launched a regional search and shopping marketplace for the benefit of Vermont businesses and residents shoppers.

Under a bold Shop Local initiative, the Okemo Valley Regional Chamber of Commerce is bringing Vermont residents new reason to shop local and enabling Vermont businesses with new tools and resources to differentiate and grow.

The chamber has launched OVRCCMall.com, where resident businesses can join instantly and make it easier for shoppers to find, locate and transact locally and beyond, in this first of its kind on-stop-shop regional shopping marketplace deployed on SharedMall.com

“ShaaredMall is one of the best avenues to expand your business. My experience with SharedMall and theassociates has been a pleasure”, says Anette Sarkissian, Owner of Ann N Eve Designer Western Wear Collection.

Businesses across any industry can readily launch independent storefront and simultaneously have their goods and services searchable in the marketplace, irrespective of current online capabilities.

“Technology, cost, and resource limitations are no longer barriers for small business seeking to grow online, as we are significantly lowering online costs and guaranteeing lowest cost e-commerce access on SharedMall!”, says Jatin Patro, Owner, Common People Services, LLC>

Vermont residents seeking to shop local with new online conveniences and savings can now shop at the chamber’s marketplace and avoid shipping costs and delays, schedule services online along with retail and fresh goods orders, and earn cash rewards for shopping from any resident business listed on OVRCCMall.com.

“It’s very user friendly for me and my customers and showcases our products great on our website”, attests Scott Blair, Owner of The Southern Pie Company in Vermont.

Pen's Ready: Annual Horace Greeley Writers' Symposium, October 21st

In its 15th year of offering the writers' symposium, the non-profit Horace Greeley Foundation, funded through donations and proceeds from Symposium fees, is dedicated to promoting the writer's trade and the spirit of public oration that was central to Greeley's life.

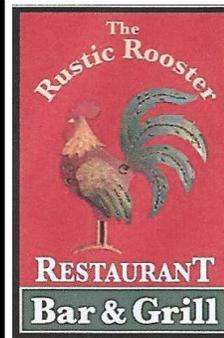

What is perhaps equally central to our mission is preserving the sense of place and memory of life in a small New England village. Each year, we meet in those places where Greeley lived, worked, debated and voraciously read the books and journals that fed his intellectual curiosity.

The Symposium will be held on Saturday, October 21st, 2017 from 9am to 5pm, at the United Baptist Church, On the Green, East Poultney, and Vermont. Registration for this event is \$80 / (\$65 Early Registration before September 15th), with a special student rate of \$20. Registration is available online at www.horacegreeleyfoundation.org.

Registration forms can also be found in brochures throughout the region, and at the Poultney Public Library. Onsite registration will be available at the event, as well.

The Horace Greeley Writers' Symposium is a celebration of Horace Greeley's life. The symposium explores the art of writing as presented by publishers and writers in the fields of literature, poetry, philosophy, and history.

This year's keynote speaker is Oregon author & filmmaker, Marilyn Johnston. She received a fellowship from Oregon Literary Arts, a Robert Penn Warren Award, and the Donna J. Stone National Literary Award for Poetry, and won the 2017 Flash Fiction Contest by the Salmon Creek Journal. She founded the Mid-Valley Veterans' Writers and is a creative writing instructor for the "Artists in the Schools" program, primarily working with incarcerated youth. *Red Dust Rising*, a collection of poems about her family's healing from war, was nominated for a

Laird Christensen, Director of the English and Writing programs at Green Mountain College, as well as, the Graduate program in Resilient and Sustainable Communities. Update from Sebastian Frank

School is starting up soon and I anticipate that a number of parents will want to know what is happening with the Mount Holly School, Act 46, and Black River. Here is my TL;DR (too long; didn't read) summary.

The Mount Holly School Board agreed to propose a compromise solution with Ludlow. So far, the "Looking Ahead" committee has identified numerous potential paths forward but every one of their plans involving Mount Holly envisions great compromises on behalf of Mount Holly and without any meaningful sacrifice from Ludlow. The Mount Holly School Board, recognizing that many families in town have a great fondness for Black River and therefore would prefer an amicable settlement over endless confrontation, directed one of our board members to approach the Looking Ahead committee with a preliminary proposal to restructure the Ludlow and Mount Holly districts as follows: turn Black River Middle-High School into an independent academy and turn the two elementary schools into a pre-K-6 operating and 7-12 limited choice districts. The limited choice would, for Mount Holly, include Black River Academy and Mill River (and possibly a third school) and the limited choice for Ludlow would include Black River Academy and a second (and possibly third) school of their choosing. This basic framework would be a true compromise for both towns but it could prove to be incredibly beneficial for both towns. Choice is very attractive to new families and Mount Holly would be an obvious destination for families wanting the flexibility of choice with the guarantee of access to a top tier school like Mill River. On the other hand, pursuing this plan would mean foregoing any governing role at Mill River, passing-up the economic security of being part of a large district, and foisting the choice of schools on families of 6th graders. Nobody on the Mount Holly School Board would invite Ludlow to discuss this plan if we thought it wasn't potentially worth pursuing. At the time of this writing, I do not know if Ludlow is interested in this possible plan. If they are interested, much work needs to be done to resolve the myriad details in order to ensure that this sort of compromise solution is, in fact, worth pursuing.

This summary is not an official letter from the board. This is just my attempt to answer questions ahead of the start of school. Enjoy the rest of August! Sebastian Frank

Agency of Transportation

August 14, 2017

Re: Mt. Holly BF 0133(12) – Replacement of Roadway Culvert on VT Route 155, Bridge (Culvert) 7 over Mill River

A Regional Concerns Meeting on the project listed above will be held on Tuesday, September 12, 2017 beginning at 7:00 pm at the Town Offices located at 50 School St in Mount Holly, Vermont. The meeting will be held by the Vermont Agency of Transportation (VTrans).

The preferred alternative includes the replacement of the existing corrugated metal culvert with a new buried structure during the 2020 construction season. The roadway at the culvert is proposed to be closed during a portion of the work, with traffic routed onto an off-site detour for approximately 28 days.

The intent of the meeting is to provide an overview of this project to the Town Officials, local residents and businesses, emergency services and other interested parties. The presentation will include a review of the existing site conditions, proposed work, maintenance of traffic, and overall schedule followed by a question and answer period. Representatives from VTrans will be available at the meeting to hear public concerns about the projects.

You have been identified as a person or entity that may have an interest in this project. It is currently in the project definition phase, an early stage of development. I encourage your attendance at the Regional Concerns Meeting. If you are the coordinator or administrator for a board or group, please pass this information on to the appropriate people.

A copy of the Scoping Report for this project may be seen at the office of the Town Clerk in Mt. Holly, Vermont, or at the Structures Section of the Agency of Transportation's office in Montpelier, Vermont. An electronic copy is also available online at:

<https://outside.vermont.gov/agency/vtrans/external/Projects/Structures/12c594>.

A project factsheet has been included for your information.

If you have any questions, comments or concerns please feel free to contact me at the above address or by email at gary.sweeny@vermont.gov or by phone at (802) 828-0049.

I look forward to meeting you,

Gary Sweeny, P.E.

Vermont Route 155

Bridge 7 over Mill River

Mount Holly BF 0133(12)

Project Location: Town of Mount Holly in Rutland County on Vermont Route 155 over Mill River. Bridge 7 is located approximately 5.7 miles northeast of the intersection with VT-100, at approximately mile marker 3.398

The Mount Holly Bridge 7 project includes the replacement of the existing multi-plate steel pipe arch culvert. The existing structure has a clear width of 15' – 4" and a clear height of 9' – 3", providing a waterway opening of 109 square feet. The structure currently has a rating of 4, poor and has cracking along the bolt line. This culvert was installed in 1969 and is 104 feet in length. There are signs that the outlet end of the culvert is deforming and settling due to perforations in the invert, leading to scour and undermining beneath the structure.

VTrans evaluated alternatives for rehabilitation or replacement of the culvert in an engineering study completed in April, 2017. This study assessed the proposed design criteria for the structure, right-of-way, rare/threatened/endangered species impacts, hydraulics, archaeological resources and wetland impacts. Several alternatives were considered, including: no action, rehabilitation, replacement using trenchless technology and replacement using an open cut. Finally, complete replacement was considered using a short term road closure with a detour, temporary bridge, or constructing the new culvert in phases while maintaining traffic through the work zone.

Given the age of the structure, site constraints and current conditions, the engineering study recommended replacement of the culvert with an open bottom concrete arch or frame while maintaining traffic on an official signed detour. Closure duration will be approximately four weeks in which the detour will add approximately 8.1 miles to the thru route. There is also a local bypass route, adding 1.2 miles of travel for thru traffic.

The existing roadway meets most of the geometric provisions of the Vermont State Standards. The horizontal alignment is the only known roadway deficiency within the project area. As this is not a high crash location, no changes to the roadway are proposed for this project.

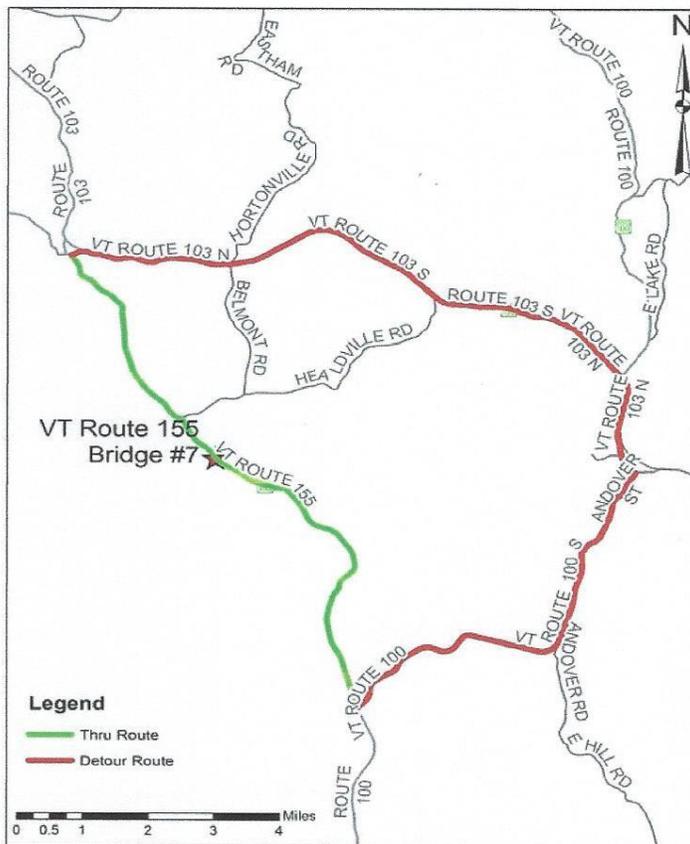

Target Construction Schedule: It is anticipated that this project will take place beginning in Summer 2020.

Contractor: TBD

Estimated Total Project Cost (including engineering and contingencies): +/- \$1,500,000
