### Randall C. Wortman

Randall C. "Randy" Wortman, born June 30, 1952, in Rutland, VT, died Thursday, April 12, 2018, after a sudden illness.

The son of Roberta "Betty" Liljeroth Wortman and the late Edmund P. Wortman, of Rutland, VT, he is survived by his mother, of Rutland; his wife, Kimberly Lindholme Wortman; a son, Brock Wortman and his wife, Iantha, of Raleigh, NC; a daughter, Kara Wortman McKowan and her husband, Russ, of Plymouth, MA; a daughter, Kelsey Wortman and her wife, Angelique, of Rutland, VT; brother, Gayle Wortman and his fiancée, Gloria Zarotny, of Rutland Town; sisters Paula Piare [Smith](#)-Taylor, of Austin, TX, Penny Macfarlane, of Rutland, VT, and Kelly Lewis and her husband, David, of Poultney, VT; two stepdaughters Lindsay Lindholme and Stephanie Bourn; 10 grandchildren; and numerous aunts, uncles, nieces, nephews and cousins.

Randy graduated from Rutland High School in 1970 and retired from Graybar Electric in 2015. He was an avid New York Yankees fan, a hunter (Wortman Hunting Camp in Mount Holly, VT), and a member of the Proctor-Pittsford Country Club. He loved spending time with his family, golfing, going to camp and looking for that elusive buck.

The family wishes to thank our friends who helped out, especially Mary Dunnigan, and the nurses, physicians and staff of the Rutland Regional Medical Center for all their help, warmth and compassion during Randy's illness. Calling hours will be held from noon to 2 p.m. Friday, April 20, 2018, in the Clifford Funeral Home. A funeral service will follow at 2 p.m. in the funeral home by Rev. Richard Tinney.

The family would appreciate donations, in lieu of flowers, be made to the Randall C. Wortman Memorial Fund at the TD Bank, [89 Merchants Row](#) in Rutland, VT 05701, so a bench may be placed in his honor at the Proctor-Pittsford Country Club.

## Mount Holly Community Association

**Membership brochures** for the 2018 – 2019 year will be in the mail in mid-June. Please remember that the major source of revenue for the Mount Holly Community Association is membership! Without it we would not be able to provide you with the 12 outstanding events we sponsor each year, nor would we be able to maintain the lovely historic building at the crossroads in Belmont that is our Library & Community Center. Last year we raised more money in membership than we have ever done before. Please help us maintain this record breaking streak by returning your membership form as soon as you receive it...thanks so much!

**Summer Calendar and Annual Calendar of Events:** The calendar of summer events will again be included with the membership brochures as it was last year, so *be sure to save it when you receive it!* Also included is the calendar of events that are sponsored by the MHCA for the *entire* year. Both of these calendars will also appear on the Mount Holly website ([www.mounthollyvt.org](http://www.mounthollyvt.org)) and hard copies will be left in the General Store, the post offices, and the library. Thanks for looking out for them in the membership brochure!

The papers for the **well project** have been submitted to Montpelier and we are awaiting the permit from the state to begin the work on this much needed project. As reported in the last Chit Chat, we will be keeping you informed about the start date for the work. In the meantime, the first disruption we know about has been scheduled for June 9<sup>th</sup> when the books from the shed in the library parking lot will be moved into the Community Room. We do not know exactly how much space they will take up, but the smaller groups using the room should be fine temporarily. We will be sending more details to every one of the groups that utilizes the space. Thank you all for your patience for the duration of this project!!

### No Book Donations - Yet!

Unfortunately we cannot take any book donations at this time as we do not have the room to store them. With the construction of the new well and laying the pipes to the building we will have to empty the "Book Shed" so they can pick it up and move it out of the way! All of those books will have to be temporarily stored downstairs in the community room. As soon as we can accommodate donations we will let the community know via the Newsflash and Chit Chat.

Please email the library if you have any questions - mthollylibrary@gmail.com.

### Save the Date for Summer Reading!

The theme for Libraries across the nation this year is "Libraries Rock!" We will have four music themed sessions this summer for children in grades K - 6. All activities are free!

## IT'S MAILBOX FIX-UP TIME!

Dear Postal Patron,  
Spring is here and it may entail fixing your mailboxes from the Hazards of winter. We at the post offices like to have the boxes at a height of 46"-50" from the ground to the bottom of the box. If you find that your existing box is below that, we would appreciate it if you could raise it. Also if your mailbox is leaning back please fix it to stand up straight. Thank You,

that human-horse connection allows us to help those with diverse challenges learn how to cope and make their day-to-day lives better. Winston Churchill recognized this connection and wrote, "There is something about the outside of a horse that is good for the inside of a man." Churchill was a dedicated horseman.

This year we have been fortunate enough to receive a donation from Carris Reels to fund a brand new program for Vermont National Guard kids. The Vermont National Guard is being called on to take part in a greater number of training days each year. This summer Guardsmen will be away from home for three weeks instead of the "usual" two. Many of their children experience stress and anxiety because of the increase in days away from their parents.

Thank you Carris Reels for your generosity. We hope you will come visit during the program in July.

## NITKA'S NOTES FROM THE STATE HOUSE

By: Senator Alice Nitka

There are so many bills passing these days as the session draws to a close that the daily Senate and House Calendars are an inch or two thick. The calendars are available electronically as well, however in the Senate, we are unable to use electronics as they interfere with the live streaming that is taking place. Reviewing the content can be quite a task particularly if the bill passed only one body last year and the other body this year and now is ready for a final vote. The reporter of the bill presents the information on the floor of the House or Senate depending upon the body in which they serve. They must be prepared to answer all the questions about the bill and amendments before the vote is taken and again the next day as two votes are required. This process can result in some very informative debates that may sway a member's vote if they aren't sure of how they are going to vote before the debate occurs. This week such a debate occurred. Although it was more an extensive history lesson about the electric grid than a debate, it was very persuasive and one side seemed to be prevailing. However, when the vote was taken, the prevailing person voted against what everyone thought was his position and some supporting his position followed suit. His argument was defeated and the next day he admitted that he had become so engrossed in the debate that he voted wrong. (There is actually a remedy for this under the rules if you realize it soon enough.)

Municipalities will be interested a piece of H-922 re numerous revenue changes as it adjusts the storm water runoff fees from a flat \$2000 per municipality to a graduated schedule. The fees will range from zero to \$1800 depending upon population size, miles of maintained roads and other factors. Another section increases the tax credit for affordable housing for first time homebuyers. A further section replaces the lien requirement on property enrolled in the current use program to a contingent lien. Sections 28 and 29 of the same bill remove the requirement that appellants in tax appeals to the Superior Court provide security to guarantee the tax in dispute will be paid in case they lose. With regard to short term rental platform reporting, section 27 exempts them from reporting information they collect on operators of short term rentals as long as the Internet platform agrees to collect and remit the rooms and meals tax imposed on the operators. The most well-known of these short term rental platforms is already exempt as it complies in Vermont.

Bills are getting very hard to track if they have lost their original number by being amended onto another bill or have been hijacked to carry another bill. The good thing about it is they are likely moving on a path toward passage whereas before the bill might not have made it. Good that is, if you are a supporter.

Stop by if you are in the area as the Session will be adjourning any day now. Even if adjourned, the building and cafeteria will be open for touring. The reconstruction of the dome is starting next week and should be interesting.

Contact me at home at 802-228-8432 or [anitka@leg.state.vt.us](mailto:anitka@leg.state.vt.us) I am able to read all of your e-mails and appreciate you sending them, however the volume received makes it impossible to respond to all of them.

# My Father

By: 365greetings.com

F- Faithful and true  
A-Always there to guide you  
T-Teaches you right things and to do no wrong  
H-His counsels are my songs  
E-Ever firm in imparting his ideals and principles  
R-Ready to catch me each time I fall

My father was, is and always will be,  
An impeccable stature of heroism and cavalry;  
He never fails to show his love for me,  
His arms are my shelter and felicity.

Happy Fathers' day!  
Won't take a miss to greet you today.  
For the rest of my days I'll honor you Dad,  
I promise to keep you proud and glad.

## Happy Father's Day

### Dad

He never looks for praises  
He's never one to boast  
He just goes on quietly working  
For those he loves the most  
His dreams are seldom spoken  
His wants are very few  
And most of the time his worries  
Will go unspoken too  
He's there.... A firm foundation  
Through all our storms of life  
A sturdy hand to hold to  
In times of stress and strife  
A true friend we can turn to  
When times are good or bad  
One of our greatest blessings,  
The man that we call Dad

### Happy Father's Day

A Dad is a person  
who is loving and kind,  
And often he knows  
what you have on your mind.  
He's someone who listens,  
suggests, and defends.  
A dad can be one  
of your very best friends!  
He's proud of your triumphs,  
but when things go wrong,  
A dad can be patient  
and helpful and strong  
In all that you do,  
a dad's love plays a part.  
There's always a place for him  
deep in your heart.  
And each year that passes,  
you're even more glad,  
More grateful and proud  
just to call him your dad!  
Thank you, Dad...  
for listening and caring,  
for giving and sharing,  
but, especially, for just being you!  
Happy Father's Day

### A Father

by Beautiful Chaos

A father never wants to see  
His child go astray  
Everyday he tries his best  
To help you on your way

Knows at times you'll have to fail  
Learn things on your own  
No matter how it hurts to see  
His baby bird has flown

Protector of a youthful heart  
Consoler of all pains  
A hero in the eyes of love  
The blood within your veins

Child love your father now  
Give him all your praise  
Our time in life is limited  
Wisely use these days

Give back all he's given you  
This love is something rare  
It's flow is unconditional  
Strength beyond compare

### **Weston Announces New Fund**

The Board of Directors of the Weston Playhouse Theatre Company announces the establishment of **The Ewen-Fort-Stettler Fund**, honoring founding Producing Directors Malcolm Ewen, Tim Fort and Steve Stettler and their contributions to Weston, to Vermont, and to the American Theatre.

The three founders are retiring after 30 years of leading the Playhouse Theatre Company.

The Ewen-Fort-Stettler Fund will support their enduring legacy, the brand new Weston Playhouse at Walker Farm. The 140 seat studio theatre and arts center opened in September 2017 and is already getting rave reviews as a performance venue and community gathering place. The new second stage is in addition to the company’s main stage at the Weston Playhouse in the center of Weston Village.

The Fund is an important part of the Theatre Company’s \$13.5 million Capital Campaign. With an initial goal of \$1.5 million, and designed to be replenished by future donations, the Fund will be a revolving source of annual support to help offset the expansion of the company’s artistic and community programs at Walker Farm. Contributions to the Fund are fully tax-deductible, and pledges to the Fund may be paid over up to five years.

Oliver Olsen, Chair of the Weston Playhouse Theatre Company Board of Directors, said: “*We have set an ambitious \$1.5 million goal for the Fund to honor a collective 90 years of service to the Weston Playhouse Theatre Company. Mal, Tim, and Steve have led the company from its days as a summer stock company to an award-winning regional theatre. Naming the Fund for the ‘three guys’, as they’ve long been called, is a richly deserved recognition of their extraordinary leadership.*”

Wayne Granquist, Chair Emeritus of the Company Board of Directors and Chair of the Capital Campaign, added: “*The Fund will give our successful New Works program a substantial boost and deliver the support our new facility at Walker Farm needs to bring year-round excitement to Weston and Southern Vermont.*” For more information or to play a part, visit [westonplayhouse.org](http://westonplayhouse.org).

## Black River Independent School Committee Gaining Momentum

*501c3 status opens the door for fundraising opportunities*

The Ludlow-based **Black River Independent School Committee (BRISC)** recently became recognized as an official tax-exempt organization, gaining 501c3 status through the IRS. The group is currently in the process of completing the application to submit to the Vermont Board of Education to establish **Black River Academy**, an independent school serving grades 7-12 in Ludlow and Mount Holly and beyond.

The group has been hard at work developing a mission and vision for the school as well as a business plan and preliminary budget. BRISC will apply for a grant in May through the Vermont Community Foundation. The grant is for "Non-Profit Capacity Building" and would be used to fund the strategic planning needed to get the school off the ground.

In addition to funding, the group needs input from the community. BRISC will host a series of "Pop-up" informational events beginning in late May. The informal events will encourage students, parents, and community members to engage in conversations with committee members about what they envision for the new school.

*"In the midst of an educational sea change, we have an opportunity to create a brand new school that's innovative, nimble, efficient and engaging," says Black River High School English teacher, Colin McKaig. "We can re-imagine and re-configure long-held educational structures, and build a welcoming and inclusive community school that's tailored to our students' needs and desires. This is the time to rise."*

If you would like more information or would like to get involved with BRISC, please contact Uli Donohue, Chair, or John Bannon, Co-Chair, at [blackriveracademy@gmail.com](mailto:blackriveracademy@gmail.com). The committee also has a Facebook page @blackriveracademy. Donations can be made through the group's GoFundMe page via their website, [www.blackriveracademy.org](http://www.blackriveracademy.org). Meetings are held weekly on Thursdays at 6:30 in the BRHS library. All are welcome to attend.

## VERMONT SYMPHONY ORCHESTRA

### VSO MUSICIANS TO PERFORM IN AREA SCHOOLS

The Vermont Symphony Orchestra's "Raising Cane" Woodwind Trio will present performances at three Rutland County schools on May 31. (See schedule below.) These performances are made possible by Stewarts Shops and the Southwest Friends of the VSO.

"Raising Cane" is always a big hit in schools. Oboist Ann Greenawalt, clarinetist Steve Klimowski, and bassoonist Janet Polk are all excellent performers with years of experience turning kids on to classical music. Their show focuses on the unique sounds of the three reed instruments, making the analogy that musical timbres are the composer's palette of colors. Students are engaged in participatory exercises designed to familiarize them with these ambassadors from the woodwind family and sharpen their listening skills.

A rave review from a host school: "We thoroughly enjoyed the performance of "Raising Cane." We found the woodwind trio to be very entertaining and educational. Their sense of humor brought the audience to quick attention!"

These performances are part of the Vermont Symphony Orchestra's statewide *SymphonyKids* education program, which reached over 22,000 schoolchildren last year with 257 presentations serving 139 schools in 111 different towns. The VSO's traveling ensembles visit all corners of the state as part of an outreach program known as the Lois H. McClure "Musicians-in-the-Schools" Program. These lively concerts are met with overwhelming enthusiasm, as the musical ambassadors spread the word that classical music can be fun!
