Permits

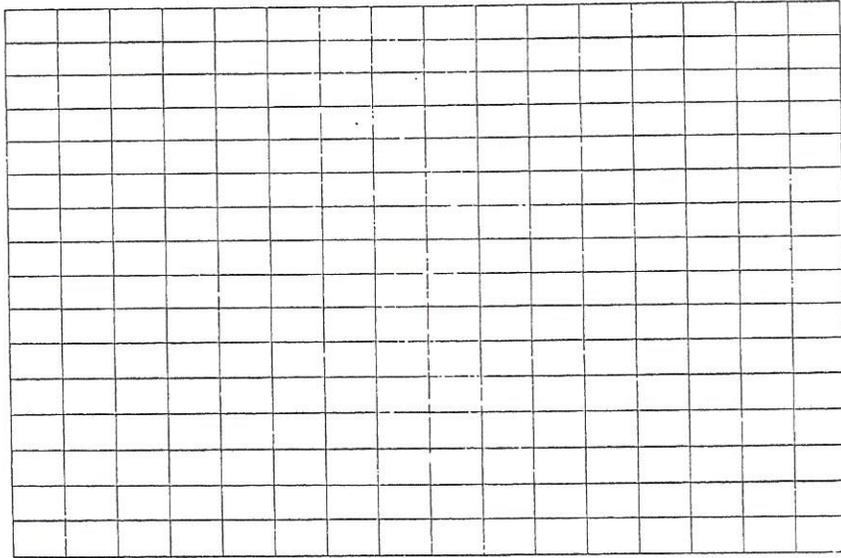

It is understood that the property owner will be responsible for obtaining all necessary permits and that a fine can be assessed for the unregistered construction per the current Mount Holly Town Ordinance. Additional bathroom(s) or water in other buildings may require a state permit. Attach copies of any of the following permits that may be required:

Act 250, Flood, Stream Alteration, Subdivision, Campground Salvage Yard, Multiple Living Units, Labor & Industry, Wetland, Mobile Home Park

DRAWING OF PROPOSED CONSTRUCTION (REQUIRED)

Draw a sketch of the lot and indicate:

- Lot dimensions.
- The nearest Town Road and access point to the lot where the new construction will take place.
- Dimensions of the new construction.
- Distance from the new construction to all four sides of the lot.
- Location of proposed (or existing) water source and septic system.
- North arrow.

PHYSICAL LOCATION OF NEW CONSTRUCTION (REQUIRED):

Indicate the physical location of the proposed construction with a large X on the map below.
