Mt. Holly School Board Meeting

The Mt. Holly school board met on Wednesday, September 4 at the Black River High School library with the LES and U39 boards. The boards discussed the Two Rivers SU meetings and possible adoption of a revised policy manual at the October meeting. They also discussed the school openings across the SU. The board discussed the change to Café Services for the hot lunch program. They also discussed the new format for the expenditure report that the board will review periodically with the business manager.

The board approved the minutes of the previous meeting. They also discussed the timeframe for the security improvements as well as the cost of the furnace repair.

The next meeting will be on October 2, 2013 at 7:00 p.m. at Ludlow Elementary School.

MOUNT HOLLY TOWN LIBRARY

Last Book Sale of the Year: Stock up for winter reading. Saturday, October 12th and Sunday, October 13th – 10 am to 4 pm both days (rain or shine), the Mt. Holly Town Library will have our last book sale of the year. Not only will the sale book shed be open but additional tables will be set up for the overflow under the tent and in the library. The donations have been pouring in over the summer. We just received more children's books and we already had a very large selection. Don't miss this amazing collection of books in all genres. Please help us decrease our inventory before winter and don't forget to pick up a beautiful Mt. Holly Library Book Bag!!

Vermont Author Program October 23rd at 7 pm: Katharine Britton's debut novel "*Her Sister's Shadow*" came out in 2011. Her newest book "*Little Island*" was released September 3rd. Ms. Britton writes books that are engrossing and thought-provoking with evocative and lush descriptions of New England coastal settings. She writes beautifully about compelling family themes of love and loss. Katharine Britton lives in Vermont, teaches at the Institute of Lifelong [Education](#) at Dartmouth College, the Writer's Barn in Shelburne, and the Writer's Center in White River, Vermont. She has written three screenplays, one of which is a Moondance International Film Festival winner, and has a master's degree in creative writing from Dartmouth College. She will read from the book and share her writing experiences. Mark your calendars and join us for this wonderful event co-hosted by **The Book Nook in Ludlow**. Books will be available for purchase at the event.

Playgroup Continues Every Tuesday from 10 to 11:30: Playgroup has been well attended this summer and some children have graduated to the Preschool program at the Mt. Holly School. Now that school is back in

session and vacations are over why not bring your toddler to this wonderful program? Lynn Gould from the Rutland County Parent/Child Center introduces the children to some wonderful activities. New experiences help ready kids for school and give them a chance for socialization. Children learn songs, participate in a craft, have play time and snack time. Come join the fun and share parenting experiences. Ages birth to five are welcome.

Mt. Holly's English Style Folk Club: Five years ago, Gypsy Reel's, Claudine Langille started The Mt. Holly Folk Club and it is still going strong. To celebrate this auspicious anniversary the club would like us all to come and enjoy an evening of music on Monday, September 30, at 7pm. They will share some of their favorite music and also get some audience participation...reminiscent of the Hootenannies of the 60's. So if you'd just like to listen or if you're itching to join them in song it will prove to be an evening of fun!!

An Amazing Internet Program for Low Income Vermonters: We want to make Mt. Holly patrons aware of this offer from VTel. There is a program designed to help eligible Vermonters afford Internet service at home. Offered through Vermont Telephone Company (VTel), the program is *Lifeline for Internet*, which offers high-speed access to income-qualified Vermonters, for as little as \$9.95 a month. VTel also has a limited supply of free computers to offer new Internet subscribers – so don't wait! Call 802-885-9000 and ask about *Lifeline for Internet*, and about VTel's free Chromebook program. Enrollment is open until October 31, 2013.

Automation Coming Soon to Your Library!: We will be going live with our new automation system as soon as we are able to train all the volunteers. All the books have been bar coded and we are pretty much done with tying up loose ends. Thanks to many volunteers we have actually accomplished this feat in record time. We are already benefiting from the system. We can look up what we own when a patron asks if we have a certain book, we check the system before we order so we don't duplicate a book and we now know what we own in each category. Our patron records in the past have been very sketchy with incorrect addresses and phone numbers. The new system requires that we update all our information so please don't be offended if we know you but still require you to fill out our patron registration form. No one is being singled out as we are asking everyone to complete the form. All personal information is kept in the strictest confidence in accordance with privacy laws.

Bring Back Your Books!!!: As I have mentioned, our patron contact information has been very unreliable and our old system made it very hard to track down overdue books. We have thousands of books that have not been returned. We may be calling you about an overdue book as we start combing our files in an effort to track down books. We apologize in advance if we call and you are not the one with the book. If you take some time to check around your homes for books that you may not realize are the library's property we would appreciate it and it would save us calling and bothering you.

Save the Date

Vermont author, **Megan Mayhew Bergman** will join us on Sunday, November 10th at 4 pm to talk about her book of short stories "*Birds of a Lesser Paradise*". I enjoyed this book and I'm not usually a big fan of short stories. Megan writes with frequent connections to animals, nature and a sense of place. Come check it out and read it before the event

- **Playgroup – Every Tuesday 10 am - Birth to 5 year olds**
- **Folk Club – Every Monday – 7 pm**
- **Yoga - Every Monday at 4:30 pm**
- **Writer's Group – Third Thursday of each month – 6:15 pm**

HOW SAFE IS YOUR DOG IN A CAR IN WARM WEATHER?

Summer has ended and cool fall weather tempts dog owners to bring Rover along on errands, to country fairs and on quick shopping trips. While we love the pet companionship, it's important to keep in mind a few facts about how quickly any vehicle can become a death trap for dogs on a sunny day.

- * Dogs cannot sweat and rely on cooling through the pads of their feet and panting
- * At 75 degrees a car can reach 100 degrees in TEN minutes
- * At 85 degrees a car will reach 120, even with windows open several inches
- * Shade offers little protection and moves as the sun does
- * Contrary to popular belief, cracking windows open does little to help
- * Leaving the engine running with AC on invites engine malfunction and stalling, turning the car literally into an oven
- * Leaving your dog in a car on a hot day, even with windows open and drinking water, is against the law in Vermont.

A dog in distress will pant, pace and attempt to put its nose out of a cracked window. If you observe a dog locked in a hot vehicle that is behaving this way, treat it like the medical emergency it is and call 911. Overheating kills, so on hot days, even in beautiful fall weather, your pet is safer at home.

Mt Holly transfer station

The current attendants at the Mt Holly transfer station are the most pleasant, happy and helpful people I have ever encountered in that occupation. They deserve more recognition than my praise and I hope our community will be very generous to them during the upcoming holiday season.

Mount Holly Library Reading Discussion Group

The Mount Holly Library Reading Discussion Group is reading Sarah's Key by Tatiana de Rosney for our October 9th meeting. We will meet at Mary Anderle's, 2475 East Clarendon Road, North Clarendon. Please call Minga Dana with any questions at 259-2471 or you would like to share a ride that evening.

COLD-CLIMATE HEAT PUMP

Cold-climate heat pumps (aka mini splits) heat and cool your home at a fraction of the cost of conventional heating and cooling.

As a supplement to your existing oil, wood or propane heating systems, these hyper-efficient heat pumps work quietly down to sub-zero temperatures to comfortably and efficiently heat the air in your home. During summer these units reverse operating mode and efficiently keep your home cool replacing any window air conditioning units in your home.

There is a Cold Climate Heat Pump program currently available that offers cash incentives for the installation of a mini split.

There are several portals for eligibility into this program- all are related to tightening up your home through weatherization.

For technical or program details contact Ken Welch at NeighborWorks 802-438-2303 x212.

Richard Dawley of Mount Holly Receives The Courage of Valor Award

Richard Dawley received the Courage of Valor Award for WWII Veterans on Sept 8, 2013 at the VA Medical Center in White River Jct. Over twenty WWII veterans were in attendance to hear speeches from Deborah Amdur, Medical Center Director, Susan Gregory-Davis, Chaplain, Sam Haskins, Rep. for Senator Bernie Sanders, Gary M. Degasta, Col. Army (Ret.) Each WWII veteran received a handmade quilt and award certificate. The Dept. O Foreign Affairs said, "The quilts we present to you were made

out of appreciation, admiration, and respect for your service to our country. With heroes such as you, America will continue to be in good hands. We salute you, our brave warriors."

Mike Sr and Susan

were in attendance with their dad, Richard.

INCENTIVES ARE UP TO \$2,500 NOW-CAN YOU AFFORD TO WAIT TO WEATHERIZE YOUR HOME?

SINCE THE COST OF A HEAT SQUAD ENERGY AUDIT IS \$100 AND THE CASH INCENTIVES ARE UP TO \$2,500, NOW IS A GOOD TIME TO WEATHERIZE YOUR HOME.

If you have been thinking about weatherizing your home, now is the time to call NeighborWorks of Western Vermont. Incentives from Efficiency Vermont are normally up to \$2,000, but to encourage more people to complete home energy improvements in the off season, there are additional \$500 incentives being offered for improvements.

NeighborWorks H.E.A.T. Squad can help you make the home energy efficiency improvements that will qualify you for the

Efficiency Vermont Incentives. It all starts with a \$100 energy audit which analyzes the efficiency of your home and makes prioritized improvement recommendations. Call the NeighborWorks Heat Squad to schedule an energy audit as the first step to a more comfortable, energy efficient home. Call Lorrie at (802) 438-2303 x 227.

If you have any questions about this program or would like a brochure or more information, please feel free to contact NeighborWorks at (802) 438-2303 x 227.

Join your Mt. Holly neighbors who are living in a more comfortable home and saving significant money on their fuel bills!

Editor's Note: Last month the heading for the weatherization incentives was placed at the end of the Cold-Climate Heat Pump article and broken up with the Mount Holly Calendar Ad which may have caused some confusion as to what the incentives were for. I apologize for any confusion this may have caused and have placed these articles on separate pages in this month's issue to help alleviate the confusion. Sincerely, Diana Garrow, Editor

The MT Holly Sno*Drifters needs your help!

The MT Holly Sno*drifters would like to continue the New Year's Eve tradition by providing fireworks for the community celebration.

We are looking for donations:

What's needed: Baskets filled with theme items such as:

Dog basket (dog bones, dog toys, treats, leash etc.)

Vermont basket (maple syrup, pancake mix, maple candy, jelly etc)

Sports theme (Red Sox, Bruins or Patriot things)

Pamper me basket (candles, lotions, shower gels)

Food baskets (Italian, Mexican etc...)

Garden baskets, Scrap book baskets, kid's basket, cleaning basket, car wash basket, race car theme (you get the idea).

You don't necessarily need to use a basket. You could use a bucket, a cat litter box, anything you can put things in. All items need to be new, so use your creative imagination. These Basket's will be displayed and auctioned off on Cider Days in Belmont.

(Similar to a Chinese auction)

Saturday, October 12th 10:00 - 4:00 and Sunday, October 13 noon to 4:00. Drawings for the baskets will be on Sunday, October 13th at 4:00 PM (you do not have to be present to win)

All proceeds will be donated to New Year's Eve fireworks display. Please call me if you can help, I will be glad to pick up your basket. You can also donate items or gift certificates and I will make the basket or use the item for door prizes. Cash and checks are always welcome.

The MT Holly Sno*drifters appreciate your support. We feel confident that our community will pull together to support this fine event, as they have in the past.

Mary Marechaux, [802-259-2900](tel:802-259-2900) or email: MHSnowdrifters@aol.com ideally baskets should be dropped off at my house between October 1st and October 11th. If you need to drop off a basket or item before that call me.

Thanks for your support, The Mount Holly Sno*drifters.

Mount Holly Community Association

Another very special evening took place on Labor Day weekend at this year's **Cabaret**. There was magic in the air created by our very talented vocalist, Alexa Fila, and the bassist, Joe Solomon. Many thanks to both of them for sharing this amazing evening with us! The MHCA is also very grateful to all of the fabulous bakers, who prepared the scrumptious desserts, and to the volunteers who made sure that all of the guests were well served throughout the evening. A special note of appreciation should be extended to Madeleine Fay for coordinating the entire evening. Thank you everyone!

On Saturday, October 5th, there will be a **Photo Preview** of all of the submissions for this year's Photo Contest for the annual Mount Holly Calendar. The opening for the exhibit of entries in this year's photo contest will begin at 7:00 pm in the Community Room on the lower level of the Library & Community Center building. Come join us for refreshments, as you enjoy an advance look at the wonderful photos submitted for *this* year's contest.

Cider Days, the biggest event on the Mount Holly Calendar, is coming up in a few short weeks...Saturday, October 12th and Sunday October 13th. Each year the Community Association celebrates the harvest season with an old fashioned cider pressing on the village green in the village of Belmont. The antique cider press, which utilizes the "rack and cloth" method of pressing cider, is a unique attraction, along with the wonderful craft and food vendors who fill the green with the pleasures of the fall season.

Another favorite activity of Cider Days is **voting** for your favorite photographs for the **2015 Mount Holly Calendar**, which will be taking place both Saturday and Sunday in the Community Room of the Library & Community Center building. The 2014 calendars will also be on sale in the library and on the Green.

On Saturday, October 12th, once you've exhausted yourself shopping, voting, and sampling the cider, and pie with cheese, or ice cream, you'll be ready for someone else to cook your dinner! Go no farther than the Odd Fellows' Hall for a fabulous **Roast Beef Supper** served family style...seatings at 5:00 pm and 6:00 pm. The cost is only \$10 for adults and \$5 for children under 12.

This year's **Halloween Party** is going to be a **family affair** and **children of all ages** are welcome! The *Scarecrow Jamboree* will be on Friday, October 25th, beginning at 6:00 pm in the Library & Community Center Building. There will be dancing with music by the Folk Club and prizes for best costume, scariest costume, and the best family costume. Don't miss this wonderful evening of fun for the whole family! Please bring an appetizer to share; beverages will be provided. See you there!

Membership Reminder: for those of you who have not yet taken the opportunity to join the Mount Holly Community Association (MHCA), a reminder will be going out in the mail shortly. Membership is our largest source of revenue and it is essential to continue all of the activities sponsored by the MHCA throughout the year, not to mention supporting the on-going maintenance of our beautiful Library & Community Center building. Please respond promptly when you receive your reminder, or pick up a membership form right now in the Library, or the Belmont store. The Community Association deserves your support...thanks so much!

Where Have All The Builders Gone?

I have several friends in the building trades. They say that things are starting to pick up but it's mostly renovations and additions, nothing like the boom years. They tell me that many have moved into other more lucrative jobs. That's a shame because in a deeper sense, I think we need more "builders." The Bible says that we can build in one of two ways: with perishables, such as hay, wood, and stubble or with silver, precious stones, and gold. Only that which is eternal really matters. The Word tells us to walk in humility, patience and love. These are the traits of a successful builder. Rather than hurt others, we're committed to helping others. Instead of promoting why we *can't* do a certain thing, we're open to *attempting* new things for God. We cultivate a *builder's attitude*. Church members and leaders are builders who assist the staff to build wisely. We're facilitators and helpers to make the work go forward.

Samson, in the book of Judges, was *born* to lead. He was born to rule and to build. But he allowed his flesh to dominate his life and instead of being a *builder* for God... he became a *WRECKER*.

A *destroyer*. Once, he destroyed a lion, another time a bear... later, he destroyed some of his enemies... once he carried the gates of a city away, and even in his death at Gaza, he pulled down the Philistine temple, so there was destruction in his *death*. He, in the process of trying to please *himself*, also *destroyed*

himself. It's interesting to notice that he *died* exactly where he was *born*. It's important for each of us to ask THIS question: "Am I a builder? Do I have a builder's spirit? The poet has written it this way:

I stood on the streets of a busy town watching them tearing a building down:

With a "Ho, heave , ho," and a lusty yell, they swung a beam and a sidewall fell.

I asked the foreman of the crew, "Are those men as skilled as those you'd hire if you wanted to build?"

"Ah, no," he said, "no indeed. Just common labor is all I need.

I can tear down as much in a day or two, as would take skilled men a year to do."

And then I thought as I went on my way, just which of these roles am I trying to play?

Have I walked life's road with care, measuring each deed with a rule and square?

Or am I one of those who roam the town, content with the labor of tearing down?

Are you a builder? Really? Pastor Glenn, The Village Church

BRACC UPDATE

QUEST A SUCCESS

We were thrilled with the success of the QUEST program this summer. QUEST was a 7 week summer camp for 9th and 10th graders organized around exposure to career possibilities, skill development, community service, and fun. Developed by the Ludlow Rotary Club with support from the Town of Ludlow, an Okemo Community Challenge Grant, BRACC and many others, the program served 27 teens in its first year. Rotarians and local residents volunteered to share their skills in a variety of sessions.

Campers learned life skills such as CPR, banking, basic auto repair and job interviewing skills. They also learned basics of many skills such as gun safety and were able to target shoot, had archery classes, and tried their hands at fly fishing. Local chefs taught cooking including knife skills, with students making appetizers, crepes, soup, and more. Similar sessions included photography, jewelry making, sewing, auto mechanics, physics, history and carpentry. They had fun hiking, kayaking on the Connecticut River, and on weekly field trips. Students and parents were enthusiastic about the new camp and hope it returns in the summer of 2014. Watch for your chance to support it at next year's Town Meeting.

Prescription Drug Take Back Box: Permanent Ludlow Disposal Site

Thanks to BRACC and the Okemo Community Challenge Grant, Ludlow now has a permanent prescription drug collection box in the lobby of the Ludlow Police Department on West Hill Road. Please bring in your unused and expired prescription drugs, including pet medications 7 days a week from 8am to 4pm. No questions are asked. Just enter the lobby and place the medications into the collection box. At this time we cannot accept liquids, creams, inhalers or sharps (needles). Please take advantage of this disposal site, save our environment, and keep prescription drugs out of the hands of our children. For more information on proper disposal of liquids, creams or sharps visit www.fda.gov.

In other news BRACC will be sponsoring a bike to school/work day this fall so watch your newsflash for details. We will be having community forums as well. Details to follow. For more information contact Paul Faenza or Brigid Sullivan at 228-7878 or at bracc7878@yahoo.com.

TO THE RESIDENTS OF THE TOWN OF MOUNT HOLLY

We would like to correct the misperception that our group, The Concerned Citizens, is engaged in a lawsuit. No lawsuit has ever been initiated. At this point, observing positive changes in the way that the town garage issue is being handled, we see no need for litigation.

Our interest has always been to have the most appropriate town garage, at the best site, and at the lowest cost. We will continue to pursue those goals in the open meeting process.

382 registered voters have already signed this petition. Another 8 non-registered voters also signed it and several people who were not registered said they would do so to insure their voices were heard as well..

To the group of 11:

There is no need to hire an architect/engineer/planner
There is no need to establish a building committee
There is no need to create a communications committee
Traffic studies and school impact studies were ridiculous
Searching for other suitable parcels of land is absurd

If the select board believes their number should be increased from,

3 to 5 then they can make that recommendation and have it put to a vote. We do not need the group of 11 to tell us what we need.

On behalf of the 382 people who signed this petition, we sincerely hope this is the end of the group of 11's involvement in the town garage, their threatened lawsuit and their attempt to force minority opinions over the majority.

If you have not signed this petition and would like to do so, please call Chris Pratt (259-3445) or Ted Crawford (259-2033) and we will get the petition to you. Sincerely, Ted Crawford

Dear Friends and Neighbors:

At the last Select Board meeting the group of 11 continued to make demands upon our elected officials.

Several Mt Holly citizens became concerned that this group of 11 would continue to waste the towns, money, resources and time if not confronted.

14 members of the community decided to circulate a petition in support of the select board.

The petition states: "In a letter dated 5/14/13 a group of 11 individuals threatened to sue the Mount Holly Select Board unless the Select Board acted in accordance with the group's demands.

We, the undersigned, firmly believe in the democratic process and support our Select Board in its efforts to serve in the best interest of our community. The Select Board's openness and constant communication with the public in all of their meetings has been exemplary.

The action taken by the group of 11 has been both disrespectful and costly (over \$4,000 in legal fees to date). They are clearly in the minority and, while they are entitled to their own opinions, they must learn to cooperate with the majority and not continue to waste time and money trying to dictate their beliefs."

On an average non presidential year approx 320 citizens vote in

Mount Holly. March of 2014 should be the same. Obviously if we could get over 160 signatures we could demonstrate the majority opinion. If it were a presidential year approx 500 people vote so anything over 251 would establish a majority opinion as well.

Mount Holly Town News

Minutes are "DRAFT" until approved at the next Select Board meeting October 8th, 2013. NOTE: Most Select Board meetings are covered by LPC-TV. The videos can be viewed at their website, www.lpcvtv.org. Computers with internet access are available at the Town Library.

SELECT BOARD - September 10, 2013 ~ Jim Heald called the meeting to order at 7:30 pm. Raymond Tarbell and Tim Martin were present.

1. Jim welcomed everyone and requested that speakers identify themselves and keep remarks civil and short.
2. The minutes of the regular meeting of August 13, 2013 were reviewed. There were no corrections or additions and the minutes were approved.
3. Highways
 - Les Deyette reported on the Road Commissioners meeting he attended at the Rutland Regional Transportation Council. The topics were the culvert inventory and how the State is putting it on Google maps and a spreadsheet system for tracking time and activities for road crews.
 - FEMA Update:
 - Spring storm damage (Old Turnpike Rd): Jeff and Rhonda met with FEMA and VTrans to review damage and documentation. FEMA has all the paperwork to create the PW, which will be sent for our review when ready.
 - Sawyer Hill culvert: The town has received a form to be completed to withdraw from the permanent repairs in the PW for this site.
 - Fowler Brook culvert: ANR has been to the site to review the repair option and agreed to the repair, as has FEMA. A letter from Gurney Bros. stated they are not able to make a bid on the project, so we can proceed with the Wright bid. Once Otter Creek has received official word from ANR, they will write the Project Scope Change for FEMA. If the work is not completed by Oct 1, the State has indicated they will grant an extension to include next summer, to comply with the dates ANR allows for instream work.
 - GMP Petition – Yale Road: GMP has petitioned the town to authorize tree trimming within the highway right of way along Yale Rd. They have been unable to obtain an easement from the adjacent property owner. The Board agreed to hold the required public hearing on October 08, 2013 at 7:00 pm. The hearing will be warned and a certified notice sent to the property owner.
 - New Garage: Jim Heald requested the Board consider hiring Jerry Hansen of Sigh Enterprises in Rutland to help the town moved forward with the new garage project. (Mr. Hansen reviewed and compared the Proposals the town received this spring.) Upon motion made and seconded, it was

VOTED: To hire Jerry Hansen to help the town with the new garage project.

Jim stated that the Board will be moving forward with the project and that Mr. Hansen will help to plan the next steps. He then opened the floor for comments.

Ted Crawford read a petition of support for the Select Board that has been circulated around town and presented the Board with the signatures collected. A total of 382 voters plus 8 non-registered parties signed the petition. He noted that in a non-Presidential year election, about 320 people vote; in a presidential year election, about 500 vote. The number of signatures would be more than a majority in either case.

David Hoeh asked Mr. Hansen if he will be holding information meetings on the project, noting that the group did not feel the process was open. Mr. Hansen stated he would make his time available as the Board requests. He encourages open meetings and that while notice of meetings is important, attendance is also important.

Lester Lampert asked the Board when they would be applying for the bond and for how much. The Board said they are not at a point where the answer to that is known. Mr. Hansen added that both contractors substantially met the requirements, but with some differences. He expects that the best ideas of both, and any others that may be presented, would be incorporated to get the best project at a reasonable cost. You can't go prematurely for the bond; you need to have a final drawing and cost analysis to know the amount.

Annette Lynch wanted to correct some misinformation. The Planning Commission's sub-division decision requirements of two studies (traffic safety study and school impact study) were met by letters from VTrans and the Dept. of Education at no cost to the town.

4. Report of Treasurer

- David Johnson presented an income and expense statement dated August 31, 2013 showing cash balances of \$2,828,604. Property taxes collected to date total \$3,276,184, or about 71% of the total (slightly less than last year). Discount amounts taken total about \$129,000, slightly more than budgeted. We are only two months into the fiscal year, so not much in the way of other income; expenses are all within budget. Solid Waste sticker sales are running a little ahead for the summer. Stickers can be purchased at the town office (either in person or by mail) and at the Belmont General Store.
- David requested that the Board approve an additional advance to U#39, as the monthly schedule will not come out until later this month. Upon motion made and seconded, it was

VOTED: To advance another \$100,000 to U39 School District.

- Jim Heald noted that the road crew has been scraping, priming and painting the trucks in preparation for the winter, so the trucks are looking like new (but are not). The town is hoping to get one more year on the oldest one before purchasing another.
- #### 5. Animal Control Officer
- The Board received a letter from Paul Faenza requesting reappointment as the Town's Animal Control Officer. He outlined the calls he has responded to, as well as recommending that the physical location of an animal is added to the town registration form (to aid his finding the animal or owner). Upon motion made and seconded, it was

VOTED: To appoint Paul Faenza as the Town Animal Control Officer for the town for FY2014.

6. Health Insurance

- The Federal law requires that employers notify employees by October 01 about the exchanges that will be used for purchasing health insurance for 2014. VLCT sent the town the Federal form that can be used unless the town chooses to create its own.

MOUNT HOLLY PLANNING COMMISSION

The term of one member of the Planning Commission ends in November 2013. Terms are for three years.

Appointment to the term ending in November 2016 is expected at the November Select Board meeting. Interested individuals (including incumbents) should contact the Select Board, at P.O. Box 248, Mount Holly, 05758 or email mthollysb@gmail.com or phone 259-2391 by November 7, 2013. A letter of interest is requested.

The planning commission meets on the third Monday of the month at 7:30 pm.

- 1) Whether to continue to offer insurance or not. Not offering insurance would allow employees to purchase insurance on the exchanges as individuals, and perhaps be eligible for federal subsidies based on their household income. The town could raise wages to help offset the costs, although that would increase other costs to the town, such as unemployment and FICA insurance, as well as potentially affecting other Federal benefits/credits employees receive.
- 2) How much the town will contribute towards premiums or Health Reimbursement Accounts (HRA). HRA's provide funds employees may use for co-pays or co-insurance, with any unused funds remaining with the town.
- 3) The level of choice each employee will have in choosing a plan. The town may specify one provider (e.g., BCBS) or allow choice among all plans on the exchange.

- The Board agreed to move to executive session at the end of the meeting for some further discussion which was relative to individual situations.
7. Transfer Station:
- Rutland County Solid Waste District (RCSWD) financial audit was received by the town.
 - Metal Pile: Previously Jeff had noted that the firm which has picked up the metal pile may not continue to do so, as the special truck they use will not be repaired when it breaks. Clinton got information on a possible substitute for Jeff's review after his vacation.

8. Planning Commission:

- Town Plan Update: Annette Lynch reported that the process for the re-adoption of the 2008 Town Plan has changed. The Executive Director of the RRPC reviewed the State's directions on this again, and determined that as long as we were applying for a Municipal Planning Grant (MPG) to update the plan, we do not have to re-adopt the 2008 Plan. As a result there is no need for a second public hearing on this.
- Municipal Planning Grant: The Board reviewed and signed a Resolution on MPG for FY2014. Jim Heald will be the Authorizing Official, Tim Martin is the alternate AO and Annette Lynch is the Grant Administrator. The signed resolution will be sent to the State.
- Hazard Mitigation Planning Grant: Mount Holly, along with 7 other towns in Rutland County, was selected to receive one of these grants. RRPC will work with the towns to write/update the town Hazard Mitigation Plan. RRPC will be in contact to begin the process. Annette noted she has asked Paul Faenza to include the Planning Commission in the process as there are some responsibilities in the plans that are the PC's.
- The Administrative Officer position remains vacant. The position will be reposted.
- Appointments to the Rutland Regional Planning Commission and the Rutland Regional Transportation Council: Tabled.

9. Other Business

- There will be a VLCT/Homeland Security conference call on October 11, 2013 regarding floods, disasters and paperwork. Jeff will need to attend.
- Energy Coordinator/Committee: Marcy Tanger has suggested that this be taken up next year after the current Heat Squad weatherization program has completed.
- VLCT Workshop on Public Records Act: Rhonda will attend if possible.
- Army Corps of Engineers sent a notice of office move and reminder of permit requirements.
- Jim Heald requested the Board consider Healdville Road be one way during Cider Days. Lake Street would remain two-way. Upon motion made and seconded, it was
VOTED: To make Healdville Road from Belmont Road up to the triangle one-way during Cider Days weekend
- ANR General Permit for Indirect Discharge of Sewage (statewide) – public comment period until September 24, 2013.
- Conflict of Interest: The Board wanted to make clear when selectmen act as employees or contractors for the town. Jim Heald occasionally drives one of the town trucks in emergencies or when all are needed to be hauling road materials (e.g., Irene, other road work). Ray works for Gurney Bros., and has come to town with Gurney's equipment to work on ditches and culverts most years. Tim also owns heavy equipment, which was used during Irene. The Board solicited input from attendees as to concerns regarding these activities and any conflict of interest. There were no negative comments from the floor. It was noted

10. The Board reviewed and signed the August orders for payment.

At 8:35 pm, upon motion made and seconded, it was

VOTED: To enter Executive Session for the purpose of reviewing employee health benefits. Rhonda was invited to attend the session.

At 9:12 pm, the Board returned from Executive Session.

The Board decided that the Town would

- Continue to offer a health insurance benefit to employees.
- Provide a premium contribution amount up to the BCBS-Platinum level plan offered on the exchange.

Further decisions related to health care will be made at a later date. There being no further business, the meeting was adjourned at 9:13 pm. Respectfully submitted, Rhonda Rivers

OPPORTUNITIES TO GET INVOLVED ON MOUNT HOLLY'S BEHALF

Like most small town, Mount Holly depends on the generosity and willingness of its citizens to get involved with many activities and organizations that benefit the Town. There are currently a number of opportunities available. These positions are volunteer, with the exception of the Administrative Officer. If you are interested in any of the following, please contact the Select Board, at P.O. Box 248, Mount Holly, 05758 or email mthollysb@gmail.com or phone 259-2391. A **letter of interest** is requested for all of them.

Rentals: What You Must Know

By Rene Greene, Rental Associate, Engel & Volkers, Woodstock & Ludlow
October 2013

Did you know you have to pay a 9% tax if you rent out your Property?

Vermont has a 9% Rooms & Meals Tax

First, you need to know why vacation rental tax compliance is important.

1. It is a legal requirement.
2. There is a financial consequence if you don't pay the tax.

3. Compliance is important because state and local authorities are now monitoring vacation rental websites. (Yikes!)

The State of Vermont's position is that tax revenue legitimizes the Vacation Rental Industry. Tax proceeds fund important local programs, which is more important now than ever.

For rentals of a total of less than fifteen days in any one year, **you don't owe a tax**, but if you go beyond fifteen days you definitely owe tax. The fifteen days is cumulative. If you rent out your house for 7 days in July, then four days in October, then 4 days at Christmas, (That's a total of 15 days) YOU WILL OWE 9% TAX on the total rental amount to the State of Vermont.

Exception: An Annual Rental

When you have an Annual Lease, the occupants would be considered permanent residents and no Rooms and Meals Tax will be due.

This is a "broad- brush" view of this issue and I hope it generates more questions from you. Give me a call or send me an email with your questions, and I'll try to get the answers for you. Renegreene13@gmail.com or (802)353-8728.

BRAM to Host Finnish American Dancers

The Black River Academy Museum will present the Revontulet Dancers from the Finnish American Society of Vermont, which is located in Ludlow, Vermont, on Sat. Sept. 28th.. They will perform and teach Finnish folk dances from 1 PM to 4 PM at the museum, 14 High Street, Ludlow, VT. Wearing traditional costumes, dancing to authentic Finnish folk music, they will whirl across the dance floor and soon have you, too, spinning on your toes. Being able to participate in the dancing is great fun and all ages are welcome.

While you are at the museum, plan to spend some time looking at the Society's Finnish Exhibit, which they

permanently gave to BRAM last year. Admission is by donation and refreshments will be served, including traditional Finnish desserts. Look for special sweet bread, "boula" while taking a rest.

Further information may be obtained by calling the museum, [802-228-5050](tel:802-228-5050) or email, glbrehm@tds.net.

"Rusty Belle" Featured in Black River Folk and Blues Fest, Oct. 12

Pictured above are the members of Rusty Belle trio who will be one of the four great bands playing at the first annual "Black River Folk and Blues Fest" on Saturday, Oct. 12 at 7 PM at the Ludlow Town Hall Auditorium. Rusty Belle is made up of siblings Matt and Kate Lorenz, along with Zak Trojano. All three members split percussion, vocals and guitars to create a unique sound and a dynamic listening experience. Rusty Belle is a roots-oriented folk-rock trio originally based in Amherst, Mass., but more recently settled in southern Vermont. "They're a little bit

country, a little bit rock-n-roll and a whole lotta weird," noted reviewer Dan Bolle in the Vermont publication, *Seven Days*. He added, "Rusty Belle mashes genres like they were tasty little sonic potatoes." In addition to the Rusty Belle, the concert will feature the music of Chris Kleeman Band, Gypsy Reel, and The Break Maids. Bruce Farr, Program Director for FOLA (Friends of Ludlow Auditorium), announced the first annual Black River Folks and Blues Fest featuring four of the best blues and folks musical groups ever to play the area. "I don't think we've ever seen this great a collection of talented folk and blues musicians on the same stage for the same performance in my memory", Farr noted. Tickets for this unique musical event may be purchased on-line at www.fola.us, in Ludlow at the Peoples United Bank, The Book Nook, and The Wine and Cheese Depot, and at the door. Tickets are \$15 per person. For further information, www.fola.us or 802-228-7239.

Hitchcock's "Rear Window" Featured Film in Ludlow Oct 21

FOLA, in collaboration with the Friends of Fletcher Memorial Library, will present Alfred Hitchcock's "Rear Window" on Saturday, September 21 at 7 PM at the Ludlow Town Hall Auditorium.

Rear Window is a 1954 American suspense film directed by Alfred Hitchcock, written by John Michael Hayes and based on Cornell Woolrich's 1942 short story "It Had to Be Murder". Originally released by Paramount Pictures, the film stars James Stewart, Grace Kelly, Wendell Corey, Thelma Ritter and Raymond Burr. The film is considered by many filmgoers, critics and scholars to be one of Hitchcock's best.

After breaking his leg photographing a racetrack accident, professional photographer L.B. "Jeff" Jefferies (James Stewart) is confined in his Greenwich Village apartment, using a wheelchair while he recuperates. His rear window looks out onto a small courtyard and several other apartments. During a summer heat wave, he passes the time by watching his neighbors, who keep their windows open to stay cool. The tenants he can see include a dancer he nicknames "Miss Torso", a lonely woman he nicknames "Miss Lonelyheart", a pianist, several married couples, a middle-aged sculptor, and Lars Thorwald (Raymond Burr), a traveling jewelry salesman with a bedridden wife.

These just a few of the "neighborly" scenes Jeff observes. The scenes become more intense and threatening after he hears a woman's scream. Slowly, but surely, the viewer is drawn into Jeff's view of his neighbor's through his "Rear Window". The climax is something that only Hitchcock could imagine and create.

The movie is free; donations are appreciated. Popcorn will be provided by Berkshire Bank, water by FOLA. For information, call 802-228-2414 or visit FOLA's web site at www.fola.us.

The Mount Holly Photo Contest and Calendar are
sponsored by the Mount Holly Community Association.
All proceeds help fund activities in our community.

The Iron Adventure Run brought in **800 new visitors** to our Okemo Valley Region in August. The consensus was that everyone was very friendly and welcoming and they will be back to visit us again next July, if not before. If you would like to be more involved in this event next year, please attend their open meetings. We will email these to you when the schedule is confirmed.

September our Region is graced with beautiful antique cars – one group will be here from 9/8-13 and another group 9/19-23. You can catch them at the Plymouth Cheese & Harvest Festival!

The Chamber and FOLA (Friends of Ludlow Auditorium) co-sponsored a community forum re: Vermont Health Connect on 9/10 with 53 people in attendance. We are planning another follow up panel discussion in November. Please do not hesitate to call the Chamber for information. We will guide you to the proper people to get your questions answered.

Thank you to Mr. Darcy's for hosting our September Chamber mixer and congratulations to **Gloria's Pantry** for being named Chamber Member of the Month!

Congratulations to the Golden Stage Inn for hosting its' first annual Golden Honey Festival on September 14th.

We will be representing our Region at the Big E from 9/18-21 and will return for Chester's Fall Festival on the 21 & 22.

Thursday, September 26 is our golf tournament and is open to the public. If you would like to play, please contact Julie Bowyer at 203-258-2758 or Julie@bowyermarketing.com

On March 18-26, 2014, the Okemo Valley Regional Chamber of Commerce and Citilinc International will host their third 9-day journey to China for its' members and guests. Experience China's leading cities (Beijing, Suzhou, Hangzhou and Shanghai), their centuries old customs and history, while witnessing first hand the rapidly changing economy and their expanding role in the global marketplace. This is a unique immersion in Chinese culture and a trip of a lifetime.

\$2,599 per person double occupancy includes: *Round trip coach airfare – JFK to Beijing/Return *4/5 star hotel accommodations

*Three meals a day *All in-country transportation (air/bus) *English speaking tour guides.

A Single room is available for all cities for an additional \$500. Chinese Visa is an additional \$175. Trip gratuity is \$25 per person for the entire 9 days. A non- refundable deposit of \$500 is due by October 1, 2013. This fee reserves your spot on the trip. The trip balance of \$2,099 is due and payable to the Chamber no later than November 30, 2013.

Please be sure to check out all the events on our extensive calendar of events for the Region on www.yourplaceinvermont.com.

The Marble Valley Players' Present "Plague, The Musical"

As always, I am about my task of promoting the Marble Valley Players' next production. This one is a bit of a departure for us. We usually do the tried and true musicals, most recently "Hello Dolly", "Beauty and the Beast", "Guys and Dolls" and "Baby". This year we are doing "Plague, the Musical", thanks to Martin Bones, the director, who had seen this show in London and is from the U.K. (I love that his name is "Bones" as "bones" figure prominently in this play!) "Plague" sold out at the 2008 Edinburgh Fringe Festival and was named "Pick of the Fringe" that year. It has never been done in the United States and we feel that it might just be the next "cult" show ... sort of "Monty Python meets Rocky Horror". But don't be put off by the name. Although it takes place in 1665 at the time of the London Bubonic plague, that's

where it's historical accuracy ends. This is most definitely a comedy and the music is lively and contagious (sorry for the puns!) Please contact me if you would like to preview the show at a dress rehearsal (Oct. 13-17) or be our guest at the first weekend's performance on Oct. 18 or 19.

"Plague" ... First United States Outbreak

The Marble Valley Players are pleased to announce the **all local** cast of their upcoming production of "Plague, the Musical" to be presented here for the **first time in the United States**. Starring in the role of Clive is Taylor Ampatiellos with Katherine Bullock as his love interest, Isabella. Other leads include Edmund Crelin, Emily Billado, Frank Wright, Wheaton Squier, Matthew Eckler, Will Giering, and Eric Korzun plus choruses of beggars, Druids, rats and corpses. "Plague the Musical" is a musical comedy set in 1665. Clive Hucklefish has come to London to make his fortune but inadvertently unleashes the Bubonic plague. The authors, David Massingham and Matthew Townend, presented "Plague" at the 2008 Edinburgh Fringe Festival where it sold out and was named "Pick Of The Fringe" that year. Directed by Martin Bones with music direction by Gary Schmidt and choreography by Erika Schmidt, this Infectious musical comedy will be presented on October 18, 19, & 25 at 8:00 PM plus a Special Midnight Show on Oct. 26th after the parade at the West Rutland Town Hall Theater. Fans of Monty Python-type humor will not want to miss this historical, hysterical performance which promises to be America's next "cult" show. Tickets are on sale now at www.paramountlive.org, or at the Paramount Box Office, and at the door before performances.

"Break Maids" Featured in Black River Folk and Blues Fest, Oct. 12

Pictured above are the members of The Break Maids trio who will be one of the four great bands playing at the first annual "Black River Folk and Blues Fest" on Saturday, Oct. 12 at 7 PM at the Ludlow Town Hall Auditorium. The Break Maids are Faith Wood (vocals, bass guitar, harmonica), Emily Burkland (vocals, rhythm guitar), and Ida Mae Specker (vocals, drums/ percussion, fiddle). In addition to the Break Maids, the concert will feature the music of Chris Kleeman Band, Gypsy Reel, and Rusty Belle. Bruce Farr, Program Director for FOLA (Friends of Ludlow Auditorium), announced the first annual Black River Folks and Blues Fest featuring four of the best blues and folks musical groups ever to play the area. "I don't think we've ever seen this great a collection of talented folk and blues musicians on the same stage for the same performance in my memory", Farr noted. Tickets for this unique musical event may be purchased on-line at www.fola.us, in Ludlow at the Peoples United Bank, The Book Nook, and The Wine and Cheese Depot, and at the door. Tickets are \$15 per person. For further information, www.fola.us or 802-228-7239.

BLACK RIVER GOOD NEIGHBOR SERVICES, Inc.

It is time for Black River Good Neighbors' annual Stick Season Social fundraiser and we are preparing for a terrific evening. This year the gala event will happen on Saturday, November 2nd and will be held at Sam's Steakhouse on Route 103 South in Ludlow. In addition to a wonderful dinner and lots of socializing, we will have multiple raffles and a large silent auction. Tickets again this year will sell for \$50 per person.

We are now offering sponsorship opportunities for businesses in the greater Ludlow area. We have three levels of support:

\$250	Breakfast Level Sponsor	(Includes two tickets)
\$500	Lunch Level Sponsor	(Includes four tickets)
\$1,000	Dinner Level Sponsor	(Includes eight tickets)

All sponsors will be acknowledged in materials distributed at the dinner. Lunch Level sponsors will be recognized as well in all press releases. Dinner Level sponsors will also be recognized on posters and in advertising. In order to ensure that your business gets properly acknowledged we ask that you please respond with a commitment before September 24th.

All money raised at this event will go towards BRGNS' various food shelf and financial assistance programs. We are an IRS Section 501(c) (3) charity and all donations are tax deductible. For more information, please call Doris Eddy at 228-5128.

JENNI JOHNSON SINGS THE BLUES

The smooth voice of Burlington blues and jazz artist Jenni Johnson will fill the rafters of Proctorsville's Gethsemane Episcopal Church on Sunday, October 6 as part of the Raise the Roof concert series. The well-tuned trio of the Jazz Junketeers will provide soulful backup on guitar, bass and percussion for Johnson's swinging sound. Born in NYC's Harlem Hospital and raised in the Big Apple, Johnson now resides in Burlington, Vermont. While she is a regular presence around the Green Mountain State, her dusky rendition of "Moonlight in Vermont" has been heard in Paris, Montreal and Rostov, Russia. Comfortable singing jazz, blues, swing and funk, Johnson claims that each performance teaches her how to refine the use of her instrument---her vocal chords.

Jenni Johnson & the Jazz Junketeers will perform at 4:30 p.m. in Gethsemane Church on Depot Street in Proctorsville (next to Crows Bakery Cafe). Suggested donation of \$10.00 at the door will support Raise the Roof in bringing more live music to the little church with great acoustics. Learn more about Jenni before the concert by visiting jennijohnson.net. Stay tuned about upcoming concerts by Liking us on Facebook at Raise the Roof Concert
